Handmade in Australia, the Aeromic® AM11LS is the latest development of the sweat resistant Fitness Instructor's Microphone that has been the industry standard for over 25 years. This latest version delivers more voice power and is made for the digital processing age with a lower sensitivity. More than ever before Aeromic® stands up to the hardest workload you can throw at it – 7 classes a day, 7 days a week, 365 days a year.
