# BLUETOOTH HEADPHONE CASQUE BLUETOOTH

## **Model**

ITHWB-700

#### Instruction Manual

Please read this instruction manual carefully before use and keep it for future reference.

## Wearing the Headphones:

After unpacking the headphones, put on the headphones using the markings that identify the left (L) and right (R) ear cups. Adjust the headband so it rests gently on top of your head and the ear cushions fit comfortably on your ears.

## Cleaning the Headphones:

The headphones do not require scheduled cleaning. Should cleaning be necessary, simply wipe the outside surfaces with a soft cloth. Be sure the ear cup ports are kept clear, and that no moisture is allowed to get inside the ear cup.

#### Specifications:

Driver unit: 40mm

Frequency Response: 80Hz-20kHz

Sensitivity: -42dB Impedance: 32 Ohm

Charging port: Micro USB

Charging voltage: 5V

#### Contents of Box:

- Headphones
- Instruction Manual
- USB charging cable

# **Safety Instructions:**

Please read and take the time to follow the instructions in this owner's guide carefully. It will help you set up and properly use your new headphones. Please save this owner's guide for future reference.

#### Cautions:

- Long-term exposure to loud music may cause hearing damage. Please avoid extreme volume when using headphones, especially for extended periods.
- Do not use headphones when operating a motor vehicle or anywhere the inability to hear outside sounds may present a danger to you or others.
- Sounds that you rely on as reminders or warnings may have an unfamiliar character when using headphones. Be aware of how these sounds may vary in character so you can recognize them as needed.
- Do not drop, sit on, or allow the headphones to be immersed in water.

#### **Connection (Functions) Diagram**

#### Pairing to a mobile phone or other device:

To use your Bluetooth Headphones, you must first pair your headphones with a phone or a computer. Once your headphones are paired to a specific mobile phone, they will remain paired and automatically recognize each other whenever they are within range.

#### Pairing headphones to your Bluetooth device:

- Turn on your device and activate its Bluetooth function.
- Turn on the Bluetooth Headphones and activate pairing feature (press and hold the MFB button for 5 seconds).
- After a few seconds the device will list the headphones. Select "ITHWB-700" and follow your device's instruction for pairing.
   NOTE: The Blue LED will flash intermittently when in Bluetooth mode.
- You now have the ability to adjust the connected device using the functions/buttons on the headphones. For example: volume up or fast forward to the next song.

NOTE: Functions/buttons may not work with some devices.

#### Charging your device:

These Headphones require a USB to Micro USB cord (included) for charging. Easily charge via AC adapter or USB Charger (not included). Charge your headphones for at least 3 hours before initial use. Insert the USB end of the charging cord into an AC adapter or PC USB port and connect the Micro USB end to the headphone charging port.

- -When the headset is charging, the red LED will remain lit.
- -When charging is completed, the red LED turns off and the Blue LED will illuminate and remain lit.

#### Warning:

- It is recommended to use a qualified (5V 1.0A or 2A) charger.
- You must charge the Bluetooth Headset if it has not been used for more than 3 months.

## **Technical Specifications:**

Bluetooth Range	10m (33 ft)
Frequency Response	80Hz-20KHz
Loudspeaker Output	20mW
Signal-To-Noise	≥90dB
Distortion	≤1.0%
Playback Time	about 12.5 hours*
Charging Time	about 3 hours
Dimension (L×W×H)	6.5 × 6.4 × 2 in 165.7 × 161.5 × 50mm
Weight	about 130g

<sup>\*</sup>PLEASE NOTE: Type of music and volume will effect playback time.

#### **Prop 65 Statement**

WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. For more information on these regulations and a list of chemicals, log on to the following website address: <a href="http://www.oehha.ca.gov/prop65.html">http://www.oehha.ca.gov/prop65.html</a>.

**Caution**: The built-in rechargeable battery is not replaceable. Do not remove or replace it, do not throw in the trash or in a fire. Do not dispose device in standard garbage disposal sites. Dispose of device at available Battery Recycling Sites after fully discharging battery. Not doing so may violate local disposal laws and regulations. Please refer to local regulations for proper battery disposal.

#### **FCC Statement**

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a class B digital device, pursuant to part 15 of the FFC rules. These limits are designed to provide reasonable protection against harmful interference uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- -Reorient or relocated the receiving antenna.
- -Increase the separation between the equipment and receiver.
- -Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- -Consult the dealer or an experienced radio/TV technician for help.

## Innovative Technology Electronics LLC. Limited Warranty: 90 Days Labor, One Year Parts

Innovative Technology Electronics LLC. (IT) warrants the product to be free from "Defects" in materials under normal use for a period of "One Year" from the date of the original purchase. The Warranty is "Not" transferable. IT agrees, within the initial "90 Day" period, to repair or replace the product if it is determined to be defective at "No Charge". It is further agreed that IT will cover the cost to repair or replace damaged "Parts" only for a total period of "One Year" from the date of the original purchase. The warranty does not cover cosmetic damage, antennas, AC cords, cabinets, headbands, ear-pads, or damage due to line power surges, connection to improper voltage supply or settings, misuse, mishandling, accident, acts of God or attempted repair by an unauthorized service agent.

To obtain service, the purchaser MUST present an original sales receipt / proof of purchase. Please contact us at www.ithomeproducts.com to request an RMA (Return Material Authorization) number to return products for service or replacement. Returns without an RMA number on the package will be refused and returned to sender. Upon receipt of the returning item and our full inspection (IT) may issue a replacement to customer for the same item or of one that has equivalent value and features. To return an item, supply full name, return address, phone number, item purchased, receipt of purchase and reason for return to obtain RMA number.

All returns must be in the original packaging or reasonable substitute to prevent damage. Customer "Must" include full name, shipping address and telephone number inside of package. No return will be shipped back to a PO Box or APO address.

Please include your check or money order in the amount of

- USD \$5.00 for items \$10.00 to \$39.99 (Price Paid Per Unit)
- USD \$10.00 for items \$40.00 to \$99.99 (Price Paid Per Unit)
- USD \$16.00 for items \$100.00 and up (Price Paid Per Unit)
- Shipping fees are non-refundable

to be payable to Innovative Technology Electronics LLC. (for handling and return shipping charges) (IT) will not be responsible for delays or unprocessed claims resulting from a purchaser's failure to provide any / all of the necessary information. Send all inquiries or RMA request via our website www.ithomeproducts.com/support.
