

Hey Teachers!

I use these Kindness cards on World Kindness Day to bring a smile to my student's faces first thing in the morning.

Simply print, cut out, and leave on each child's desk with a little treat to remind them how fantastic they are! Use these on World Kindness Day or any other day of your choice!

Enjoy!

I'm happy you're a
part of my class,
Today I ask you to
do one task,
Spread kindness
and Smile at a
friend,
Make them happy
with the love you
Send!
