The calendar grid is organized into four columns representing different parts of the month: 'VERY EARLY DECEMBER', 'EARLY DECEMBER', 'MID-DECEMBER', and 'WEEK OF CHRISTMAS'. The 'WEEK OF CHRISTMAS' column is further divided into 'WEEK OF CHRISTMAS' and 'WEEK OF NEW YEAR'. The days of the week are labeled on the right side: MON, TUES, WEDS, THUR, FRI, SAT, and SUN. The grid contains several blank white boxes for scheduling. Decorative elements include a red ribbon with stars in the top left, a blue star in the top right, a Santa Claus figure with a red arrow pointing to the top of the 'WEEK OF CHRISTMAS' column, and a holly leaf decoration at the bottom center.
