TECHNICAL DATA SHEET

MAXI BLUE

Industrial Strength Hand Cleaner

DESCRIPTION: Maxi Blue contains a special blend of cleaning oils and orange terpenes to tackle the most stubborn industrial soils, such as ink, paints, adhesives, tar, carbon, and asphalt. Maxi Blue leaves hands clean and fresh. Enriched with skin conditioners and aloe vera to protect hands from drying. Fortified with pumice.

ADVANTAGES:

Heavy duty detergents clean thoroughly.

Fortified with pumice to dig out tough, embedded soils.

Contains the antimicrobial ingredient PCMX (Parachloro-metaxyleneol).

Enriched with aloe vera for refreshing relief.

Clean citrus fragrance.

For use with or without water.

DIRECTIONS:

Apply and rub briskly until all grease, paint, ink, or other grime is liquefied. Rinse with water or wipe dry with towel or cloth.
