

# DAIRY-FREE CREAMERS, COCOAS, LATTES & MORE!

Coconut Cloud's collection of vegan beverage mixes are made with premium coconut milk powder. All our products are plant-based and better-for-you. Upgrade your cup with the natural, superfood power of coconuts. As we like to say, "Made in a tree, not in a lab!"

## CREAMERS

Enhance your morning cup of coffee with our rich, coconut milk creamers. Plant-based with no added sugars, we keep it simple and delicious.

## HAPPY BRAIN COFFEES

The perfect blend of premium instant coffee, coconut milk creamer, and MCTs (the good fats!) to super charge your brain and give you a natural energy boost. Just add hot water and go.

## HOT COCOAS

Rich and chocolately hot cocoa mixes, without the dairy! Our hot cocoas are free from the Top 8 allergens and taste just as delicious as the conventional versions, but with 40% less sugar. Just add hot water, stir, and enjoy. All 5 flavors are kid-loved and mom-approved.

## FRAPPES

Our vegan take on the 'Frappuccino', these premium frappe mixes are the perfect indulgent treat. Simply blend with ice and nut milk and you have a delectable frosty beverage.

## LATTES

Our Chai Tea latte is perfectly spiced with warming notes of cinnamon and nutmeg. It is a complete, instant latte mix; just add hot water, stir, and enjoy.
