SIMPLIFIED INSTALLATION

DIRECT CONNECT FIXING SYSTEM

BEYOND accessories come standard with our unique Direct Connect Fixing System, which includes a precision drilling fixture and a diamond drill bit to effortlessly and accurately drill holes through even the hardest of vitrified tiles. For a secure and enduring installation, all Avenir products ship with high quality wall plugs, stainless steel screws and epoxy glue (Single mount items only). Standard installation system suitable for tiled or masonry walls only. Optional fixings for Glass, Plasterboard and a Glue-Only installation (No drilling) are available (sold separately). Products can be supplied to your custom lengths on request.
