DOUBLE FIXING SYSTEM

Tago accessories come standard with our unique Double Fixing System, which includes a precision drilling fixture and a diamond drill bit to effortlessly and accurately drill holes through even the hardest of vitrified tiles. In addition, all products ship with high quality Hilti® wall plugs, stainless steel screws and a tube of epoxy glue for a secure and enduring installation. Standard installation system suitable for tiled or masonry walls only. Optional fixings for Glass, Plasterboard and a Glue-Only installation (No drilling) are available on request. Products can be supplied to your custom lengths on request.
