SAVE THESE INSTRUCTIONS

This RELAXONCHAIR™ RC-MKII Massage Chair is intended for household use only.

1. Usage Environment

- Do not use the RELAXONCHAIR™ RC-MKII Massage Chair in an excessively humid or dusty environment as this may result in malfunction or electric shock.
- Do not use the RELAXONCHAIR™ RC-MKII Massage Chair in a room with a temperature of 104° F or higher.
- Do not expose the RELAXONCHAIR™ RC-MKII Massage Chair to heater, stoves or direct sunlight.
- Place and use the RELAXONCHAIR™ RC-MKII Massage Chair on an even, non-slip floor.
- The RELAXONCHAIR™ RC-MKII Massage Chair is designed for home use and not for commercial purposes.

Safety, Cautions and warnings

Caution

- ⚠ The RELAXONCHAIR™ RC-MKII Massage Chair is to be used indoors only.
- ⚠ If you use the RELAXONCHAIR™ RC-MKII Massage Chair in a cold room, do not increase the room temperature abruptly. It is recommended that you increase the temperature gradually to a normal level.
- ⚠ If the RELAXONCHAIR™ RC-MKII Massage Chair is stored in a cold place and is being brought into a warm environment, it is advisable to wait one hour before use. This is because its performance may not be at optimum level as there may be water droplets on the mechanical parts due to condensation. Using the RELAXONCHAIR™ RC-MKII Massage Chair under such conditions may result in malfunction.

2. Safety Precautions

- To ensure safe and correct use of the RELAXONCHAIR™ RC-MKII Massage Chair, do not operate it without reading this operation manual carefully.
- Do not use the RELAXONCHAIR™ RC-MKII Massage Chair when the upholstery or seat is removed. This may cause injury or malfunction.
- Do not use the RELAXONCHAIR™ RC-MKII Massage Chair in combination with other therapeutic equipment or electric blanket etc. as this may result in ineffectiveness or injury.
- Do not use the RELAXONCHAIR™ RC-MKII Massage Chair an hour before or after eating as this may have adverse effects on the user.
- Do not allow children or pets to play around the RELAXONCHAIR™ RC-MKII Massage Chair, e.g., behind the backrest, under the seat or leg rest of the RELAXONCHAIR™ RC-MKII Massage Chair. This may result in injury.
- Do not rest or place heavy objects on the armrests, leg rest or backrest as this may result in malfunction or injury.
- Do not use the RELAXONCHAIR™ RC-MKII Massage Chair when your body is wet.
- Do not operate the RELAXONCHAIR™ RC-MKII Massage Chair with wet hands.
- It is not recommended to use the massage for more than 20 minutes.
- Do not perform continuous massage on the same spot of your body for more than 5 minutes at a time as this may result in excessive stimulation and may have adverse effects.
- Do not insert your hand or foot along the paths of the massage rollers during use as this may cause injury.
- Stop operation immediately if you experience any discomfort.
- This product is not intended for self-treatment of conditions that should be managed by a qualified health care provider.
- People on medication or with medical conditions, please consult your doctor before use. Please do not use the product if you are not feeling well.

Safety, Cautions and warnings

- Remove all scarves, neckties, necklaces and jewelry before using the massager.

3. People with Medical conditions

Consult your doctor before use if you:

- Are under medical rest as ordered by a doctor.
- Have spinal disorders, an abnormal spinal condition or have suffered a spinal injury.
- Have back problems.
- Have diabetes, osteoporosis or sensory impairment.
- Have joint dysfunction.
- Have a pacemaker or other electronic medical devices.
- May be pregnant.
- Have phlebitis or thrombosis.
- Have an increased risk for blood clots.
- Had recent surgery.
- Have surgical pins, screws, or anything mechanical implanted in your body.

Caution

- ⚠ The RELAXONCHAIR™ RC-MKII Massage Chair is not intended for use by children or persons with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the RELAXONCHAIR™ RC-MKII Massage Chair by a person responsible for their safety.
- ⚠ Children should be supervised to ensure that they do not play with the RELAXONCHAIR™ RC-MKII Massage Chair.
- ⚠ Avoid using the RELAXONCHAIR™ RC-MKII Massage Chair under the influence of alcohol.
- ⚠ Do not apply massage rollers directly on the head, elbow or knee joints, torso or abdomen.
- ⚠ If you legs or feet slip off the leg rest during massage, do not force them back in as this may result in injury.
- ⚠ Remove the power plug from the electrical outlet immediately should liquid be accidentally spilled onto the RELAXONCHAIR™ RC-MKII Massage Chair. Do not use wet hands to connect or disconnect the power plug from the electrical outlet.
- ⚠ Do not tamper with the power cord or use the RELAXONCHAIR™ RC-MKII Massage Chair with a damaged cord as this may result in malfunction and/or electric shock.

Safety, Cautions and warnings

4. Instances when the RELAXONCHAIR™ RC-MKII Massage Chair should not be used

In the following events, please switch off the main power switch immediately and disconnect the power cord from the electrical outlet:

- If water is accidentally spilled onto the RELAXONCHAIR Chair. This may result in electric shock or malfunction.
- If the fabric of the backrest is torn and the internal components are exposed.
- If pain or discomfort is felt during massage, stop operation immediately and consult your doctor.
- If you detect any malfunction or any other abnormal condition during operation.
- If there is a power outage. Injury may occur when power is restored unexpectedly.
- If there is lightning.

5. Assembly and repair of the RELAXONCHAIR™ RC-MKII Massage Chair

- Do not attempt to disassemble the RELAXONCHAIR™ RC yourself unless instructed to do so by RELAXONCHAIR's Technical Support Team. Touching the internal components may result in malfunction or electric shock.
- RELAXONCHAIR™ RC-MKII Massage Chair must be serviced or repaired by authorized service center.

6. Things to note about the power plug and cord

- Check that the Alternating Current (AC) voltage corresponds with the specification indicated for the RELAXONCHAIR™ RC-MKII Massage Chair.
- Do not connect or disconnect the power plug from the electrical outlet with wet hands. This may result in malfunction or electric shock.
- When disconnecting the power plug, pull it by holding the plug, not the cord.
- Although operation will be stopped automatically by the Auto always remember to switch off the main power switch after use.
- Do not place the power cord under the RELAXONCHAIR Chair or any other heavy objects.
- Do not wind the power cord around the RELAXONCHAIR Chair as this may damage the cord and result in a fire or electric shock.
- Do not operate the RELAXONCHAIR™ RC-MKII Massage Chair with a damaged cord or extension cord.
- Do not use the RELAXONCHAIR™ RC-MKII Massage Chair if the electrical outlet is loose.
- If the power cord is damaged, it should be replaced by a qualified technician.

Safety, Cautions and warnings

7. Grounding instruction

This product must be grounded. If it should malfunction or break down, grounding provides a path of least resistance for the electric current to reduce the risk of electric shock. This product is equipped with a cord or an equipment-grounding conductor and a grounding plug. The plug must be plugged into an appropriate outlet that is properly installed and grounded in accordance with all local codes and ordinances.

Danger – Improper connection of the equipment-grounding conductor can result in a risk of electric shock. Check with a qualified electrician or service technician if you are in doubt as to whether the product is properly grounded. Do not modify the plug provided with the product – if the supplied plug does not fit the outlet, have a proper outlet installed by a qualified technician.

This product is for use on a nominal 120V circuit and has a grounding plug that looks like the plug illustrated below. Make sure the product is connected to an outlet having the same configuration as the plug. No adapter should be used with this product.
