Hawaii's Largest Wholesaler of Reusable Printed Bags

Our Vision: To Promote the use of environmentally friendly bags
in stylish tropical designs.

Our mission is to encourage people to think "green" by utilizing
our reusable bags, printed with a wide range of designs that
reflect the natural beauty of the Hawaiian Islands

Our reusable bags are an environmentally friendly alternative to
single-use paper and plastic bags. Tropical Paper Garden bags
can be used as a lunch bag, beach tote, shopping carrier or gift
bag for special holidays and occasions.

Our most popular insulated bags are lined with an aluminum
layer that keeps food and drinks hot or cold. Tropical Paper
Garden insulated bags are available in a variety of shapes
and sizes. We also carry eco-friendly non-insulated bags in
polypropylene, polyester, and canvas material.

Want to customize a bag? Our corporate division will help you
with a range of reusable bags branded with your company name
and design.
