

8-Hour Hazardous Waste Operations and Emergency Response (HAZWOPER) Annual Refresher Course Outline-Online (as per 29 CFR 1910.120)

Course Overview:

Who should take this course?

Anyone with the initial 40 or 24-hour HAZWOPER training MUST have an annual refresher (every 12 months) to stay current and insure continued certification in HAZWOPER and Emergency Response.

Learning Outcomes

Understand how hazardous materials affect the human body, and how to handle and identify these materials:

- Learn the purpose and value of a Health and Safety Plan (HSP)
- Learn the proper course of actions to take during a site emergency
- Understand safe methods and work practice controls
- Recognize signs and labels used to alert personnel of dangers involving hazardous materials

Topics

- Introduction to HAZWOPER
- Principles of Safety
