

Defensive Driving Course Outline-Online

Course Overview:

When driving we sometimes take on a different personality, and unfortunately that personality is often a reckless risk taker, or someone overly aggressive. The Safe and Defensive Driving training module discusses tips and techniques for avoiding risks and aggression. The course also identifies numerous factors that appear as innocent actions, but have the potential to cause accidents and injuries.

Who Should Take This Course?

Employees who must drive automobiles (cars, vans, pickups) as part of their job. Positions like field sales personnel, field technicians, or personnel visiting offsite locations including delivery of small parts or equipment, will benefit from this course. Large delivery trucks are beyond the scope of this course.

Course Objectives:

After successful completion of this training module, students will understand:

- Recognize external factors that inhibit drivers' ability to concentrate
- Apply techniques for focusing attention to the task of driving
- Detect behaviors and situations that may weaken driving ability
- Employ stress-reducing actions to avoid unsafe driving
- Complete a pre-trip checklist to ensure vehicle safety
- Recall procedures for contingency plans, in case of emergency situations

Prerequisites:

No prerequisites are assigned to this course.

Topics:

- Defensive Driving
- Assessment & Statistics
- What Makes a Safe Driver?
- How Does a Safe Driver Behave?
- What Does a Safe Driver Do?
