

OSHA Site Supervisor Annual Refresher Course Outline: Online **As per 29 CFR 1910.120**

Overview:

As of 2005, the Occupational Safety and Health Administration (OSHA) requires that all Site Supervisors receive ANNUAL Refresher Training. This training must be done IN ADDITION to the required annual refresher under 29 CFR 1910.120 ("e" or "q") which is required for all HAZWOPER workers. EACH SITE must have at least one (1) person who is trained and qualified to act as a Site Supervisor.

Who should take this course?

This course is designed for managers or supervisors who oversee operations involving hazardous materials or hazardous waste sites. OSHA's regulations 29 CFR 1910.120(e)(8) specifically state:

"Annual Refresher Training for managers and supervisors specified in paragraph (e)(4) of this section (*HAZWOPER Site Supervisors*), shall receive eight hours of refresher training annually on the items specified in paragraph (e)(4) of this section (suggested training topics for Supervisors & Managers) any critique of incidents that have occurred in the past year that can serve as training examples of related work, and other relevant topics."

Learning Outcomes:

This course provides refresher training for OSHA Site Supervisors who have received their initial Site Supervisor certification.

Topics:

- Agencies, Laws and Regulations
- Understanding the Hazard Communication Standard
- Site Supervisor Responsibilities
- Site Safety Plan
- Spill Control and Containment
- PPE and Respiratory Protection
- Site Sampling and Monitoring

Prerequisites:

Before an individual can take this Annual Refresher course, they must have completed the OSHA 40-Hour HAZWOPER training course, all subsequent annual refreshers and, must have completed the OSHA Site Supervisor Initial Training.
