Introducing the 2023 collection from House of SXN - SERPENS. The snake has long been a symbol of sensuality, power, and allure, and we have channeled that energy into the designs of the Serpens collection. Each piece is expertly crafted with leather that has been specially embossed in a unique snake skin print. The collection is a true embodiment of the serpent's alluring mystique, perfect for adding a touch of edge and sensuality to your erotic play. Experience the exotic and sensual influence of the Serpens collection.
