What is the TELUS Winter Classic?

Whistler's "Event of the Season"! - The TELUS Winter Classic is a weekend long affair, with approximately 1500 participants involved in several events including a ski/snowboard Race Classic, a wine, beer & delectable appetizers tasting, and an extravagant Gala atop Whistler Mountain. Last year we were fortunate enough to have many sponsors and donors involved in a record-breaking year benefitting our local Sea to Sky Community, and we are hoping to continue the magnificent difference we are able to make, together, for those in need. 40% of overall funds for 2019 were raised through our 2019 TELUS Winter Classic event and 100% of funds raised have gone directly towards our grant recipients!

Who is the Whistler Blackcomb Foundation?

The Whistler Blackcomb Foundation is the largest community fundraiser in the Sea to Sky Corridor. We are proud that the Foundation has raised over 14 million dollars since 1992. These funds are raised primarily at our two annual events (the auction plays a major role in our fundraising initiatives) and through our very successful Founders Pass program. Our beneficiaries are non-profit organizations that provide programs in the areas of health, human services, education, recreation, arts and culture and the environment, with an emphasis on children, youth and family programs.

Who attends the TELUS Winter Classic?

Our guests are typically age 35+, business and community leaders with healthy incomes who are quality conscious, high-end consumers with the resources to travel and purchase the finer things in life.

When is the Auction?

Our silent auction will be available for bidding online prior to the event, with items also being on display at our Mountain Top Gala on March 7th held at the Roundhouse Lodge on Whistler Mountain.

If you are interested in making a donation, please complete the attached **Auction Donor Form**. We sincerely thank you for your kind consideration. Without your support, we would be unable to donate so much back to our local communities.
