23rd Annual Whistler Blackcomb Foundation's

About the Foundation

The Whistler Blackcomb Foundation is the largest fundraising organization in the Sea to Sky Corridor and has raised and donated over 12.5 million dollars to various charities since its inception in 1992. We fundraise through our two successful sporting events and our Founder's Pass program. Our beneficiaries are non-profit organizations that provide programs in the areas of health, human services, education, recreation, arts and culture and the environment, with an emphasis on children, youth and family programs. For more information, check out our website at www.whistlerblackcombfoundation.com.

Event Brief

The TELUS Golf Classic is the Whistler Blackcomb Foundation's major summer fundraising event! This event is recognized as one of Whistler's "best tournaments" and is a sell-out every year. Friday, September 14, shotgun start at 11:30am at the Fairmont Chateau Whistler Golf Club. Our famous after-party will immediately follow the tournament.

Sponsorship Benefits

The Whistler Blackcomb Foundation is very proud of the fact that nearly all of our sponsors, for both our golf and ski event, continue to support us year after year. It continues to be our goal to produce events that are fun for the participants, worthwhile for the sponsors and of course, financially successful.

The benefits to participating in Whistler Blackcomb Foundation fundraising events are considerable. Aside from making a significant contribution to improving quality of life in Sea to Sky communities, sponsors have the opportunity to generate immeasurable goodwill amongst existing or potential customers.

- 100% of funds raised at the 2018 TELUS Golf Classic will go directly towards our grant recipients.

Our Target Market Sponsorship Benefits

- Our guests are typically 35+, married, business and community leaders with above-average incomes who are quality conscious, high-end consumers with the resources to travel and purchase the finer things in life.
