Noches de la Havana is a centuries-spanning, fedora-demanding, flower-splashed fiesta. Come dance the rumba amongst colonial columns, salsa through Hemingway's sea of rum and hand rolled cigars, and mambo into the modern madness of the Tropicana nightclub. Ladies, your bata cubanas are calling your name; gentlemen, your guayaberas will not be ignored! On a Caribbean island at the top of a mountain, we will defy our weather together!
