# Regular Girl® Restore

## Specifically formulated for women, Regular Girl Restore features:

### Eldermune® Elderberry Juice

has long been used in traditional medicine and harnesses the benefits of antioxidants to help support the immune system. This particular formulation uses elderberry juice concentrate combined with Sunfiber.® Fiber supports digestive health which is critical to overall well-being.\*

### Suntheanine®

improves quality of sleep and reduces stress, which is crucial to maintaining a healthy immune system. As the purest form of L-Theanine, Suntheanine® is valued for its ability to reduce stress, promote relaxation, and improve quality of restorative sleep.\*

### Zinc

to support immune systems.\* Zinc is an essential trace mineral that has been proven to play a role in many biochemical pathways and physiological processes. It's critical in immune support, and its restorative properties have long made it a recognized tool to support the immune system.\*

### Vitamin C

for added immune system help.\* For this reason, we provide ample amounts to ensure your system gets the benefits and boost from this critical vitamin.\* The Vitamin C content in this formulation contains more than 2 oranges or 2 cups of orange juice.

### Vitamin D3

supports the immune system and more.\* While our bodies produce Vitamin D naturally when exposed to the sun, many don't produce enough during the winter. Yet, it's known for its ability to strengthen bones and muscles, and support the immune system. That's why we formulated Regular Girl® Restore with 200% of Vitamin D needs using the active form of Vitamin D3.
