

Let the Pathway  
tell your story

**Warranted visual impact:** installed at the beach entrance and exit, according to your communication choice, DMS' Ad Mat Panel™ delivers your message about your trademark, or the cause you defend, your city's touristic activities or safety call numbers, or directions to next door facilities, etc...

**Portable and environmentally-friendly Billboard:** on protected or natural sites, DMS' Ad Mat Panel™ is totally flat, dismountable, made of 100% recycled material.

**Convenience and comfort draw attention:** DMS' Ad Mat Panel™ combined with Mobi-mat® portable beach access mat offer comfort for beach goers of all ability, elderly people, wheelchair users, parents with strollers and delineates a clear non-slip pathway for all.

**Eco-friendly mat :** the Mobi-mats® are made from 100% recycled polyester, resist to UV and inclement weather conditions.

**One year warranty:** quick installation and dismantling, remove sand with a broom and store in rolls during the low season.
