

STRIKE FORCE Power Wheelchair & Soccer Guard

The Strike Force from Power Soccer Shop is the first wheelchair designed specifically for power soccer! Designed with a low center of gravity and wide wheelbase, the Strike Force is able to move with more agility and spin kick with more power than any other power wheelchair in the world!

Equipped with top-notch components and built on a durable steel frame, this chair is ready for the rigors of elite competition. The Strike Force is the only choice for serious power soccer athletes. Each chair is tailor-made with a wide variety of options to perfectly fit each athlete.

When you're ready to join the power soccer revolution, let us know and we will be happy to help!
