

QUADRIX

WATT'S

Freedom and fun in an exceptional all-terrain electric wheelchair!

**ACTIVITIES: TOURING,
HILL RIDING, TREKKING**

Love the great outdoors and adrenaline-packed activities?

With the WATT'S silent, powerful motorisation, you can enjoy your favourite outings all year round, on your own or with friends, on quiet paths or on mountain trails!

Discover the thrill of riding an all-terrain electric wheelchair: with the WATT'S, you can climb tracks with a height gain of up to 1,200 metres and freewheel back down!

The WATT'S is without a doubt the model in the QUADRIX range that will give you the greatest autonomy.
