

STARWARD

WELCOME

STARWARD started off with a simple vision; create a whisky unshackled from tradition. A unique spirit Melbourne can offer the world with pride.

Now Australia's fastest growing whisky producer, the STARWARD team are making that vision a reality. Bringing together Australian barley and Australian wine barrels, STARWARD is exploring the possibilities of what Australian whisky can be.

Distillery Tours

Tours operate every Friday, Saturday and Sunday, and include a tasting of our two core expressions. Book online at STARWARD.COM.AU

We Are Cashless

The STARWARD Distillery is a cashless venue. Most major credit and debit cards are accepted and we will continue to offer no minimum spend or surcharge on any transaction

Single Cask Samples & Projects

+\$1 with a Fever Tree mixer of your choice

EVENTS AT STARWARD

Ten minutes from Melbourne's CBD, STARWARD's unique function space sit inside Melbourne's only urban whisky distillery, which is as innovative as the city it calls home and the spirit it produces.

This truly unique, industrial space is broken into a large scale cocktail bar, 'whisky garden' and fully operational whisky distillery. If you want an event to remember then we suggest sipping bespoke cocktails beside the stills making the spirit you're drinking.

From the Bottle - Enjoy Here or Take a Bottle Home to Share

RED MANHATTAN - 12 / 49

Our Red Manhattan incorporates STARWARD whisky with a bespoke Adelaide Hills vermouth and bitters. Bold flavours of Australian natives shining through, we serve this classic chilled with a maraschino cherry, the newest of our bottled cocktail range is sure to be enjoyed by all.

(NEW) OLD FASHIONED - 12 / 49

A modern take on the classic Old Fashioned, arguably the foundation of modern cocktails. Our twist takes our whisky and adds house made orange bitters, demerara and wattleseed sugar and a dash of Tawny port. The result is a smooth and delectable, ready-to-pour cocktail that begs to be enjoyed in any setting.

CASK STRENGTH BOULEVARDIER- 18 / 95

The Boulevardier was developed in tandem to the Negroni and follows a similar recipe. The gin is substituted for whisky and added to an equal mix of Campari and vermouth. Our twist takes whisky straight from our solera tank and present a drink, ready to be stirred down and enjoyed. A bitter concoction, it can be enjoyed with a variety of cheeses and foods.
