*Mild blue with soft, industrial  
age*

- Painted in Chiswick House chalk paint using a pro-hybrid round synthetic brush, painting in large crosses to create subtle texture.
- Paint a second coat for coverage, adding 5% water.
- Create a coloured wax using Victorian Black chalk paint and Clear wax in a 1:1 ratio. Brush on with a natural bristle brush and wipe off excess with a rag.
- Use Gold gilding wax to highlight edges and details.
