*Soft and elegant with a
shimmery finish*

- Painted in Paloma chalk paint watering it down by 5% and using a synthetic pro-hybrid round brush to create subtle texture.
- Paint a second coat for coverage, adding 5% water.
- Make a coloured wax using Stonebreaker chalk paint and Clear wax in a 1:1 mix. Brush on with a natural bristle brush, wipe off excess wax with a rag.
- Create a wash using 50% water and 50% Silver metallic paint stirring well. Brush on using a synthetic brush and ragging off.
- Optional: use Silver gilding wax to highlight edges and details.
