Saves space

- Wall mount opens up extra workspace

Sleek build

- Streamlined look enhances your work area

Quality design

- Built for thousands of movements by passing 10,000-cycle test
- Includes 10-year warranty

VERSATILE LX ARMS SUPPORT LARGE DISPLAYS AND PROVIDE A WIDE RANGE OF MOTION WITH SIT-STAND BENEFITS!

Ergotron's LX Sit-Stand Monitor Arms can be used with a variety of devices: large displays, mid-size TVs and all-in-one computers weighing up to 25 lbs (11,4 kg) or 30 lbs (13,6 kg). They offer unparalleled range of motion with lift, tilt, pan and rotation functionality. Plus, with 20" (51 cm) of vertical lift, computer users can sit or stand throughout the day for a healthier way to work.

Choose from desk or wall mount products, with standard or heavy duty support. You can extend your display or device up to 33" (84 cm), then effortlessly move it out of the way when not in use, making LX Arms ideal for space-constrained spaces. In addition to computer use, they are a logical choice for digital signage applications.

LX Sit-Stand Monitor Arms

Desk Mount Arm

Desk clamp attaches to edge up to 2.5" (65 mm) thick; grommet mount attaches through hole 0.5" to 2.5" (7–65 mm) wide and up to 2.5" (65 mm) thick.

Wall Mount Arm

Base includes theft-deterrent anchor holes for cable locks. Attaches directly to sturdy vertical surfaces. Where applicable, install to wood stud. (Fasteners for direct attachment to wood studs or concrete surfaces are included.)
