

*The first name in Rooftents, Retractable Awnings, Fridge Sliders,
Roofracks and Accessories - the last word quality*

AFRICAN WILD DOG also known as THE PAINTED DOG is South Africa's rarest carnivore and one of the World's most endangered canines. It is estimated that there are between 4,000 and 5,000 of these dogs in small packs of approximately 10 animals roaming across the plains of Africa in the Wild and most of these are in protected areas e.g. Game Reserves.

Roof Rack

A revolutionary cutting edge advancement in expedition style rack design. The K9 System is engineered and manufactured at the Eezi-Awn facility. With over 38 years of experience in the expedition market across the globe, Eezi-Awn knows what is necessary in a rack and what will take it to the next level.

The K9 Roof Rack System is thinner, stronger, more functional, aerodynamic and made to last.

Spade Cradle

K9 SPADE CRADLE
Manufactured from steel - electro passivated and powder-coated. Fits most roof racks on the side or on top.
NB. Lock not supplied.

Loadbar

K9 LOADBARS
Are sleek, streamlined, robust and manufactured of extruded powder-coated aluminium.
Available with various adaptors to fit most vehicles.

Spare-Wheel Holder

K9 SPARE WHEEL HOLDER
Manufactured from steel - electro passivated and powder-coated.
Fits most roof racks on top.
NB. Lock not supplied.

AX Cradle

K9 AX CRADLE
Manufactured from steel - electro passivated and powder-coated.
Fits most roof racks on the side or on top.
NB. Lock not supplied.

Jack Cradle

K9 JACK CRADLE including foot-piece.
Manufactured from steel - electro passivated and powder-coated.
Fits most roof racks on the side or on top and includes Jack footpiece bag.
NB. Lock not supplied.

Aluminum Ladder

K9 LANDY LADDER
Rear mounted and manufactured of extruded and laser cut powder-coated lightweight aluminium. Ladder and footpiece are the lightest in the industry, and only weigh 2.5 kgs.
Available for Series 90 and Defender 110 Landrovers.
