SHAPE
DISPENSER SYSTEM

SUSTAINABLE

We believe in effective sustainability.

One single dispenser replaces 20 to 25 mini portions. Plastic and liquid waste are reduced by 85% as no half-empty bottles are thrown away.

Sustainable

- Plastic and liquid waste reduced by 85%
- More economic compared to portion sizes
- Pollutant-free plastic
- Reduced housekeeping costs

HYGIENIC

We combine comfort and safety to be more hygienic.

A secured pump lock prevents germs from entering the cartridge, so your hotel guests benefit from a maximum level of hygiene and safety.

Hygienic

- Closed system offers maximum hygiene
- Guarantees product safety
- No dripping
- Clean and efficient

AESTHETIC

The aesthetic look and feel is meant to stand out.

The design delights guests and complements hotel bathrooms with a crisp, bold aesthetic with fresh contemporary elements.

Aesthetic

- Premium look and feel
- Modern design
- Invisible holder system

PUMP

Our innovative pump is made to be a beautiful detail.

The sealed, tamper- and theft-proof system is designed exquisitely with its extra-secure pump cap and reliably keeps germs from penetrating the cartridge while also being easy to install and exchange.

EVOLUTION

We define
evolution with
an exceptional
system.

Evolution

- Patented SHAPE Pump Dispenser System with innovative functionality
- Easily installed, quick and easy to change bottle
- Fully customisable design with great variety of brands

OVERVIEW OF BRANDS

ECO-BOUTIQUE

A SYMBIOSIS OF NATURE AND LIFE SCIENCE

Developed with the latest technology and environmentally friendly at the same time, this brand is the perfect symbiosis of science and nature.

Safe and pure formula – with organic aloe leaf extract – certified with the Nordic Swan eco-label.

LALIQUE

TIMELESS ELEGANCE SINCE 1888

For more than a century, Lalique, founded in 1888, has been trading as the last icon of luxury made in France. This jewel of the French glass industry offers five main areas: jewellery, decorative items, interior decoration, perfume and art.

Unique design – exquisite scent – high-quality, paraben-free compositions.

FAIR CosmEthics

ENJOY COSMETICS FAIR

The innovative care series Fair CosmEthics supports the principles of fair trade with the use of Fairtrade-certified cane sugar and Brazil nut oil. Here, it is about more than just fairly traded quality products; it is about the initiative of making the world a little bit better.

With Fairtrade-certified ingredients – cane sugar, Brazil nut oil, olive oil – modern design – body lotion: awarded 'very good' by Öko-Test.

BE DIFFERENT

REFRESHINGLY DIFFERENT

Are you looking for something to surprise your guests? Would you like to pep up their daily care routine? With pleasant textures and indulgently modern scents, Be different brings a bit of extra pep to the bathroom – for that extra dose of fun, design and astonishment!

Cheekily fruity fragrances, positive messages, trendy design.

THE PERFUMER'S GARDEN

AN UNFORGETTABLE FRAGRANT EXPERIENCE

The Perfumer's Garden is an exquisite care series for skin and hair that subtly captures the scent of the seasons. The line always presents trendy fragrance compositions from select, well-known perfumers.

High-quality fragrance oil from Grasse in Provence, France – diverse fragrances inspired by the seasons – clean design, an eye-catcher for any bathroom.

Naturals REMEDIES

BOTANICAL TRADITIONS REINTERPRETED

Inspired by the craftsmanship of chemists from the early 20th century, Naturals Remedies offer a selection of our best formulations with a modern interpretation of traditional notes and ingredients from controlled organic cultivation.

Tried-and-tested extracts from controlled organic cultivation – choice formulations – modern, minimalistic design.

Aqua Senses

A SENSUOUS, AQUATIC INDULGENCE

Aqua Senses stands out with its choice fragrance blend of bergamot, jasmine and sandalwood, which caresses the senses and pampers the skin.

Warm, timeless, pure – refreshing fragrance – simple differentiation thanks to varying content colours.

PURE HERBS

THE BENEFICIAL POWER OF HERBS

The natural effects of precious herbal extracts unfurl in Pure Herbs – suitable for all skin types, enjoy aromatherapy that relaxes the spirit and alleviates fatigue.

With lemon balm, thyme and rosemary – aromatic herbal notes – pure relaxation for body and spirit.

ECO BY GREEN CULTURE

IN HARMONY WITH NATURE

Eco by Green Culture is environmentally friendly both inside and out. The series combines ingredients based on renewable, plant-based resources with 100% recyclable packaging. Certified with the EU and Nordic Swan eco-labels, Eco by Green Culture is the optimal hotel cosmetics series for hotels with a rigorous philosophy of sustainability.

Use of renewable plant-based raw ingredients in the formulations – minimal impact on aquatic ecosystem – environmentally friendly – gentle on your skin.

Naturals

INSPIRED BY NATURE

Inspired by the flair of Mediterranean nature, the Naturals care series spritzes a natural, positive attitude. The combination of carefully selected lemon, orange and olive extracts from controlled organic cultivation and gently invigorating citrus notes ensures healthy, fresh body power.

With organic extracts and essential oils – with plant-based ingredients – with mild preservatives and without colouring.

HYDRO B.A.S.I.C.S

THE POWER OF THE SEA

With aromatic essences of lemon, basil and musk, Hydro Basics exudes a uniquely aquatic scent that envelops body and soul with a gentle sea breeze.

Distinctive bottle design – vibrant colours for an especially fresh sensation – active ingredients (seaweed and sea minerals) for the skin.

Designed to meet your needs.

LABEL

More than just a label – from artistic creations to cutting-edge printing techniques (matt, glossy, lacquered, embossed, etc.), we offer customised designs for every hotel design.

MATERIAL

Different views for different perspectives – our fully recyclable single-material packaging is available in transparent, semi-transparent and opaque designs, and with transparent strips upon request.

COLOUR

We offer an extensive colour palette. However, those who would like even more customisation can create their own colour in perfect harmony with the hotel's interior design concept.

Tamper-proof

Theft-proof

Rapid bottle exchange

SHAPE holder

SINGLE HOLDER

Saves space and time – this holder combines a minimalistic design with simple installation and rapid bottle exchange.

SCREW-FASTENED OR SELF-ADHESIVE

The SHAPE holders are developed to ensure simple holder and bottle mounting, regardless of whether they are screw-fastened or self-adhesive. Both designs have been extensively tested and are proven to be safe – including when it comes to thieves. Nevertheless, easy access is guaranteed to those who need it by means of a corresponding key.

SINGLE HOLDER

Four different colours are available to match each SHAPE brand and bathroom design.
