

Press + Wash, the practical, economical and environmentally friendly bathroom dispenser.

Cost-Efficient

Saves approx. 40% compared to small portions, quick to replace and easy to clean, cartridge lasts up to 4 weeks

Environmentally Friendly

Economic dosage avoids liquid waste, made from non-toxic, recycled or recyclable plastic

Reduced Labour vs. Refillable Pumps

No refilling required resulting in lower labour costs compared to refilling pump bottles from bulk

100% Product Quality & Safety

Closed cartridge system, tamper-proof secure application technology

Explore a wide range of high-quality Press + Wash System brands to suit any style of hotel. The Press + Wash System offers the ultimate in hygiene for guest satisfaction and provides benefits to your operation through cost-savings and waste reduction.

Available as liquid soap, shower gel, shampoo, hair and body shampoo, conditioner and body lotion across a wide variety of brands.

Changing Tomorrow's World... Today!

For over 20 years, Swisstrade has been the leader in environmentally sustainable amenity solutions, offering a comprehensive range of eco-friendly dispensing solutions, with the primary objective of eliminating single use plastic amenities in miniature bottles and tubes.
