

# EB-L610U

## DATASHEET / BROCHURE

## Versatile entry-level laser projector with 6,000-lumen WUXGA performance, ideal for replacing existing lamp-based projectors.

The EB-L610U is an entry-level laser projector and the ideal replacement for existing lamp-based models in meeting rooms and educational establishments. It offers outstanding 6,000-lumen brightness, Full HD WUXGA resolution, and a range of great features including HDBaseT and HDMI connectivity, screen-mirroring and lens shift.

### Affordable laser performance

The EB-L610U offers impressive 6,000-lumen brightness and WUXGA Full HD resolution at an affordable price, meaning you can upgrade to laser performance and reliability without paying a premium. Pin-sharp image quality and equally high White and Colour Light Output give your presentations impact, even in brightly-lit rooms.

### Useful connectivity features

This projector offers a range of handy connectivity features, including HDBaseT for straightforward wired connection over a single cable, plus HDMI and screen mirroring.

### Reliable and durable

The EB-L610U is based around Epson's proven laser technology, which offers fit and forget reliability to keep maintenance to a minimum. The projector is covered by a five-year, 12,000-hour warranty.

### Easy, flexible installation

Lens shift and a smaller, lighter casing than products of similar brightness<sup>1</sup> makes it easy to replace existing units with the EB-L610U, while laser technology means these projectors can be mounted at and project from any angle, making them ideal for any scenario.

### Stylish new design

A fresh, new casing design means that the EB-L610U will look completely at home in even the most style-conscious of new developments. It also comes with a matching rear cover to conceal leads and connectors, for a streamlined look.

## KEY FEATURES

- **6,000-lumen brightness**  
Crisp images and bright colours, even in well-lit rooms
- **WUXGA resolution**
