Product Features

Designed to adapt

Essential Series monitors let you find the working angle that suits you best with a screen that tilts quickly and smoothly. The stand also has a magnetic area, great for holding paperclips and keeping your desk orderly. These monitors are also wall-mountable, giving you clear views with more room.

Bright and clear

Focus more sharply on your tasks with the superior contrast ratios and ultra-quick response of these Full HD monitors. A range of built-in display technologies deliver consistent viewing across wide angles, faster response time for reduced eye strain, more realistic colors, and a stable view that prevents tailing when the screen is touched.

Very connected

Collaborating with others is faster and more productive when you have plenty of ports available. Essential Series monitors allow you to connect to a wide variety of devices.

Eco focus

Essential Series monitors mercury free. Plus, you'll see significant power savings thanks to advanced Acer EcoDisplay technologies and white LED backlighting.
