Epson ELPCB03(V12H927040DA)
Epson ELPCB03 - Projector control box - wall mountable - for Epson
EB-520,525,530,535,536,670,675,680,685,695,696,710

Teachers can now experience a higher level of control and connectivity in the classroom with the ELPCB03. This wall-mounted AV control box perfectly complements Epson's short-throw and ultra-short-throw display solutions. Teachers,and pupils,benefit from greater device connectivity,ease of use and neat cable management. This convenient,wall-mounted box boasts a direct source button for 3x HDMI connectivity,split screen support (including the use of two HDMI inputs),and even a user-friendly LED color change for color blind users. Such attention to detail makes this highly-intuitive device the perfect solution for simple,streamlined control of classroom multimedia devices.
