

# Level Up Confetti

Finished Size: 64" x 81"

1 Confetti Kit

2-1/3 yards accent + binding

5 yards backing

Cut all confetti strips into 3.5" squares and sew into sets of 6 (2 blocks across by 3 blocks down)

Cut accent fabric into (16) 3.5" strips (save the rest for binding), then sub-cut each strip into (4) rectangles 3.5" x 9.5"

Sew one accent strip to the long side of your set of squares to create a block. You will have 63 blocks total.

Starting in the top left corner, your first block in row #1 the accent strip will be on the right side. Block #2 the accent strip goes on top. Continue to alternate (right, top, right, top, right)

Alternate with row #2 starting with the accent strip on top, row #3 accent strip to the right and so on....

You will lay out your blocks 7 across by 9 down and sew them all together  
Quilt, bind and enjoy!
