Sign Up

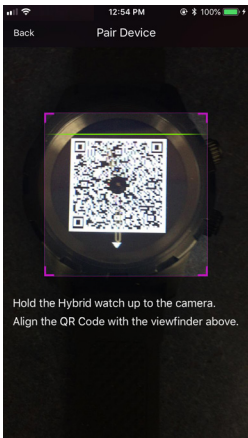

Create an account with your existing email address and enter a secure password

## 4. Select a Pairing Mode

You can pair the watch via scanning a QR code or by searching for nearby Bluetooth devices. Follow the next step to learn how to pair via QR code or skip to step 6

## 5. Scan the QR Code

Hold the Hybrid watch up to the camera.  
Align the QR Code with the viewfinder above.

Align the QR code with the viewfinder on the app to pair the device

## 6. Pair via Bluetooth

Find your watch by matching the number on the watch to the number on the app. Tap the matching number and then tap the green check mark to pair
