

Quick Start Guide

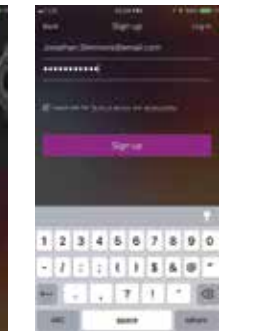

Step 1: Download the App

- Download the **3Plus Hybrid App** from the Apple App Store or Google Play.
- Make sure your Bluetooth is on.

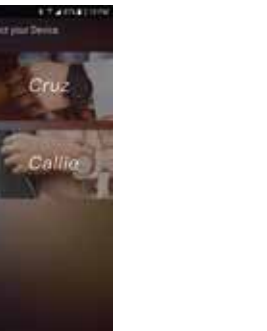

Important: Make sure the app you download matches the same logo as shown above.

Step 2: Sign Up

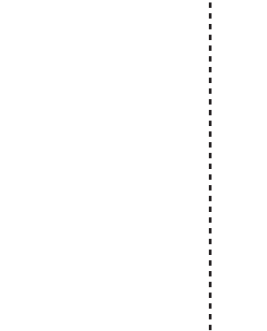

- **Sign up** for a new account.
- Enter your info and tap on Sign Up to create your new account.
- Alternatively, you can also sign up by using an existing Facebook, Twitter or Gmail account.

Step 3: Select Your Hybrid Watch

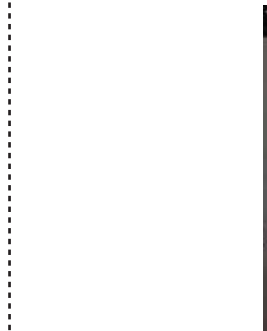

- Select the **Cruz** Hybrid Watch.

Step 4: Bluetooth On

- Make sure your **Bluetooth** is on.

Step 5: Pairing

- Tap **Next** to pair via **QR code**. Use your mobile device's camera and scan the code on your watch.

Step 6: Scan QR Code

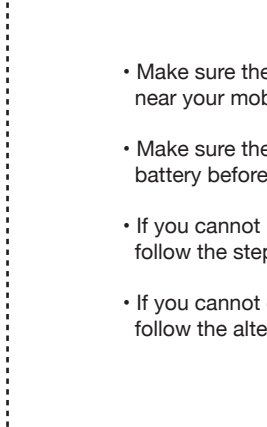

- Align the QR code with the viewfinder on the app to pair the watch.
- When the scan is successful, the watch will automatically pair with your mobile device.

Step 7: Calibration

- Tap **Start** to begin.
- Hold the Cruz Hybrid Watch up to the camera.
- Align the Cruz watch case to the outline of the viewfinder in the app
- Hold the position until the watch hands adjust to the current time.

Set Up Complete!

Troubleshooting Tips

- Make sure the Callie Hybrid watch is always near your mobile device during set up.
- Make sure the watch has at least 30% battery before starting the set-up process.
- If you cannot pair with the QR code method, follow the steps to pair using manual method.
- If you cannot calibrate using the Scan method, follow the alternate manual calibration method.

Quick Tips

- If you have an existing 3Plus account from the 3Plus Elite Series app, you may use the same login information to log into the Hybrid App
- Only one device can be paired to your 3Plus account.
- If your watch hands do not tell the correct time, sync the watch to the Hybrid app to show the correct time on your watch.

For more information about setting up and troubleshooting, visit us online at www.3plususa.com.

Manual Pairing Method

- Find your watch by matching the number on the watch to the number on the app.
- Tap **Ok** when the matching number on the app is selected
- A pairing request will be sent to your watch. **Tap the green check mark** to confirm the pairing request.

Manual Calibration Method

- Tap **Start** to begin.
- On the app, Turn the scale or tap on the +/- icons to move the **hour hand** on the Cruz Hybrid watch to the red dot at the 12 o'clock position.
- Once the hour hand is aligned, tap **Next** to continue.

Manual Calibration Method

- Turn the scale or tap on the +/- icons to move the **minutes hand** on the Cruz Hybrid watch to the 12 o'clock position.
- Once the minute hand is aligned, tap **Next** to continue.
- When both hands are aligned to the red dot at the 12 o'clock position, tap **Done**. The watch hands will automatically move to the current time. Tap **Home** to go back to the dashboard.
