days[®] Escape Wheelchair

With a foldable aluminium frame, the Escape has been specifically designed for ease of transportation and storage. Suitable for both indoors and out, it gives you flexibility wherever you go.

In addition to being portable, these attendant or self-propelled chairs offer both comfort and practicality. With a full-length armrest, padded upholstery and detachable swing-away footrests, they provide all the basic comfort necessities. Peace of mind and low maintenance are provided by the puncture-proof tyres.
