

Lab School

21ST CENTURY THINKERS, INNOVATORS, CREATORS
AND DREAMERS

MISSION: GCE LAB SCHOOL is an independent high school that cultivates global citizens ready to meet the challenges of the 21st century. Our students participate in weekly field experiences, guest workshops, and case studies with professionals to embrace the inspiration and practicality of real-world education. Through blended, project-based learning, we foster a diverse community of learners who use the city as a classroom to develop the skills and knowledge necessary to courageously take action locally and globally.
