

# Kids Kicking Cancer

EASING THE PAIN OF VERY SICK CHILDREN  
THROUGH MARTIAL ARTS THERAPY

**MISSION:** KIDS KICKING CANCER is a non-profit organization that provides therapeutic martial arts classes and hospital visits for children and teens. Our mission is to ease the pain of very sick children while empowering them to heal physically, spiritually and emotionally. Through an innovative program that merges modern integrative medicine with traditional martial arts, KIDS KICKING CANCER addresses the overwhelming needs of children with illness. Specially trained black belt martial artists teach breathing, visualization, and relaxation techniques, in addition to traditional martial arts moves to help empower the children and provide them with a sense of power, peace and purpose. Martial arts classes, support during hospital and clinic procedures, and uniforms, are provided to families at no cost.
