

A DAD-TO-DAD MENTORING PROGRAM FOR FATHERS RAISING KIDS WITH SPECIAL NEEDS

MISSION: SPECIAL FATHERS NETWORK is the signature program of the 21st Century Dads Foundation, a 501(c)(3) organization established to address the epidemic of father absence in America. There are an estimated 24 million (4 out of every 10) children growing up across the United States without their fathers. Children from father-absent homes are 4 times more likely to grow up in poverty and 9 times more likely to drop out of high school. Our mission is to inspire dads to be present: physically, emotionally, financially and spiritually.
