

COMMITTED TO FINDING A CURE FOR CANCER
THROUGH BASIC SCIENCE CANCER RESEARCH

MISSION: Cancer is personal. We, at THE H FOUNDATION, are united by the common goal to make a difference in the fight against cancer through Basic Science Cancer Research to accelerate discoveries that can lead to cures. THE H FOUNDATION was created, as all great ideas are, by a few entrepreneurial friends over a cocktail called the Goombay Smash. Every summer, THE H FOUNDATION hosts the Goombay Bash, a Caribbean-style fundraising party that has raised over \$8 million for the Robert H. Lurie Comprehensive Cancer Center of Northwestern University.
