

## **SHARE. CONNECT. HEAL.**

**MISSION:** TWIST OUT CANCER is founded on the belief that when you share, the world opens up. TOC provides psychosocial support for individuals touched by cancer through creative arts programming. Our signature program, Brushes with Cancer, is a unique celebration of survivorship and hope that pairs those touched by cancer with talented artists to create an original work reflective of the cancer journey. TOC also encourages and leads workshops ("Twist Shops") that provide individuals an opportunity to share their "twist on cancer," such as lessons learned, fighting strategies and new perspectives.
