YOUTH WHO HAVE SUFFERED TRAUMA CAN BECOME  
OUR FUTURE LEADERS

**MISSION:** Founded by church members who promised to care for the children of fallen soldiers during the Civil War, UCAN's mission is to help youth who have suffered trauma to become our future leaders. We provide them with a consistent presence, meaningful programming and unrivaled diversity. We seek to increase economic and social independence by providing programs that help to heal trauma, prevent violence, build strong families, and educate and empower our youth. Today, UCAN impacts over 13,000 at-risk youth and families across Illinois through more than 30 programs.
