# DMC EMBROIDERED WEDDING HOOP

### SUPPLIES:

- Plain cotton fabric
- Embroidery scissors
- DMC embroidery needle size 5
- Embroidery hoop 7"
- Embroidery transfer pen
- DMC Six Strand Embroidery Floss, one skein each

164, 209, 211, 320, 340, 349, 369,  
434, 725, 727, 741, 892, 913, 915,  
957, 3364, 3779, 3853

### INSTRUCTIONS:

### Step 1:

Transfer the design to the fabric with names and date of your choice.

## Step 2:

Place the fabric in the embroidery hoop and tighten.

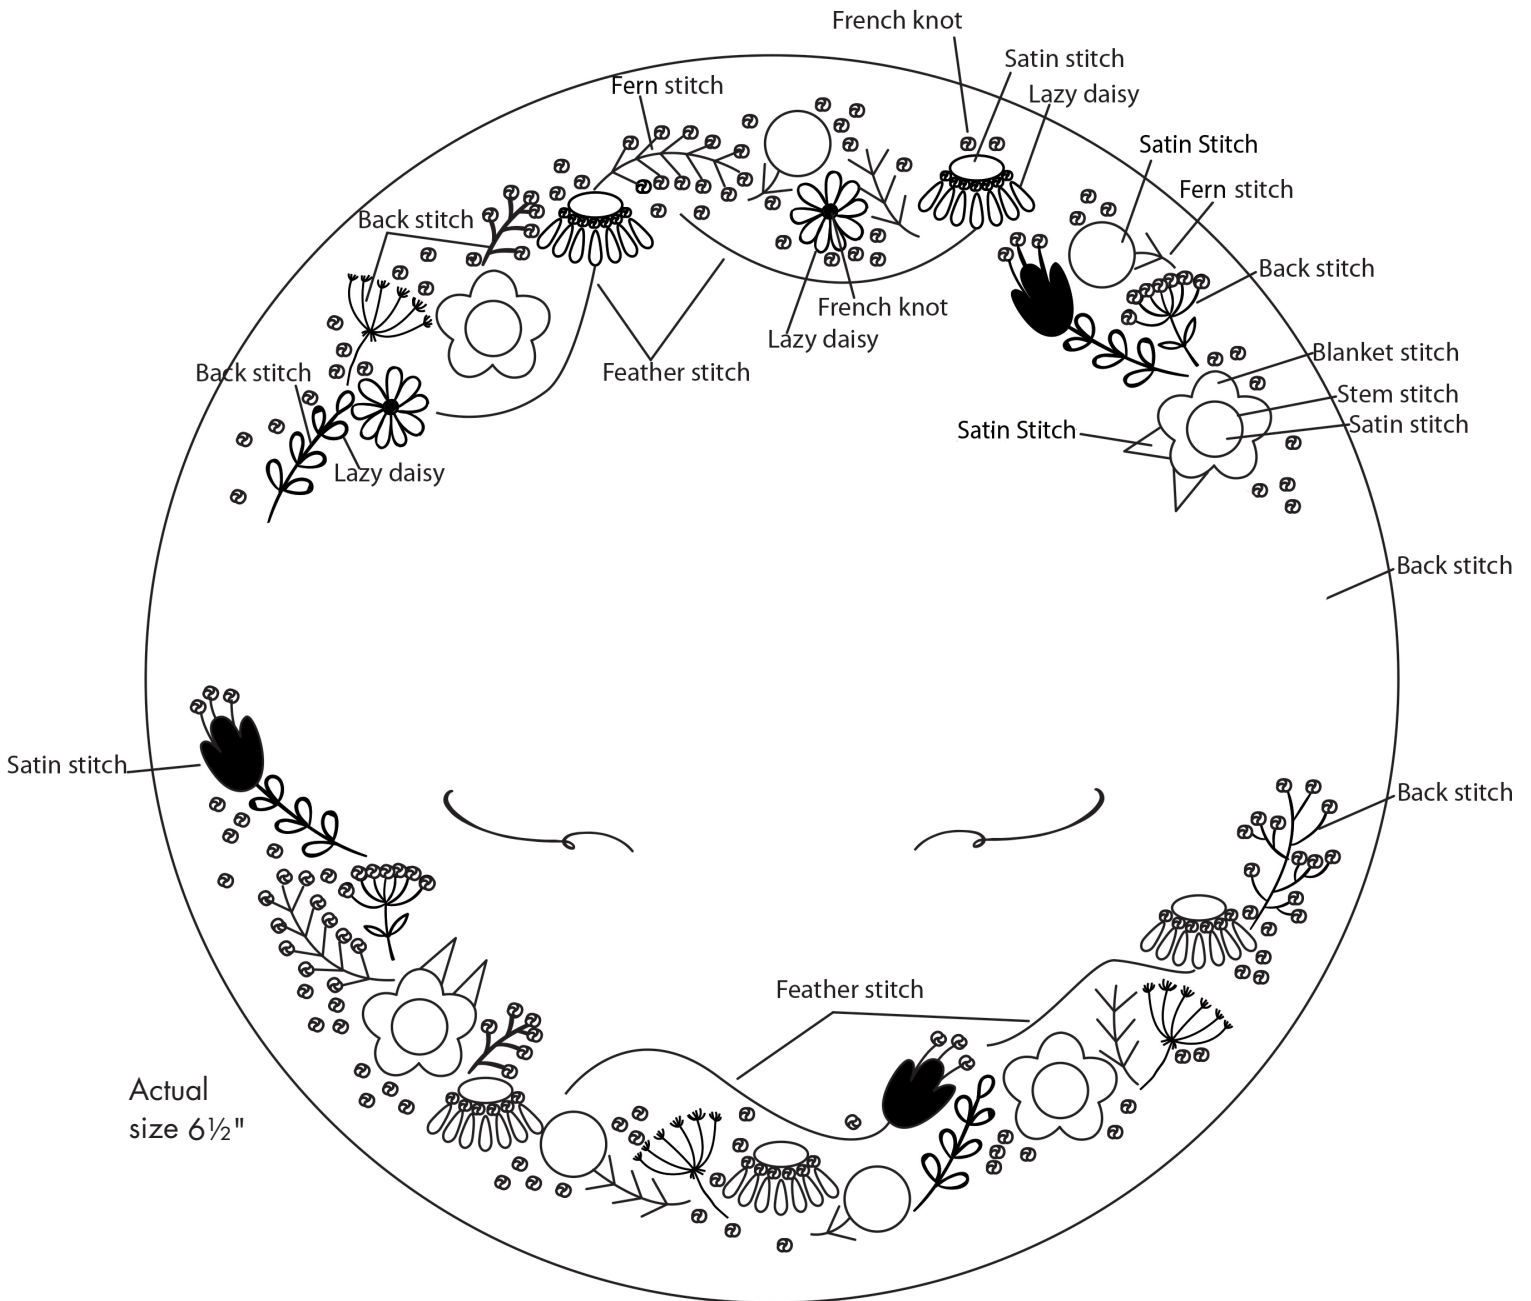

Embroider the design using 3 strands of embroidery floss for the names and date and 2 strands of embroidery floss for the rest of the embroidery.

### Step 3:

Make sure your fabric is taut in the hoop. Trim the fabric to within ¼ to ½ inch from the hoop on the back.

Glue the edges of the fabric onto the back of the hoop.

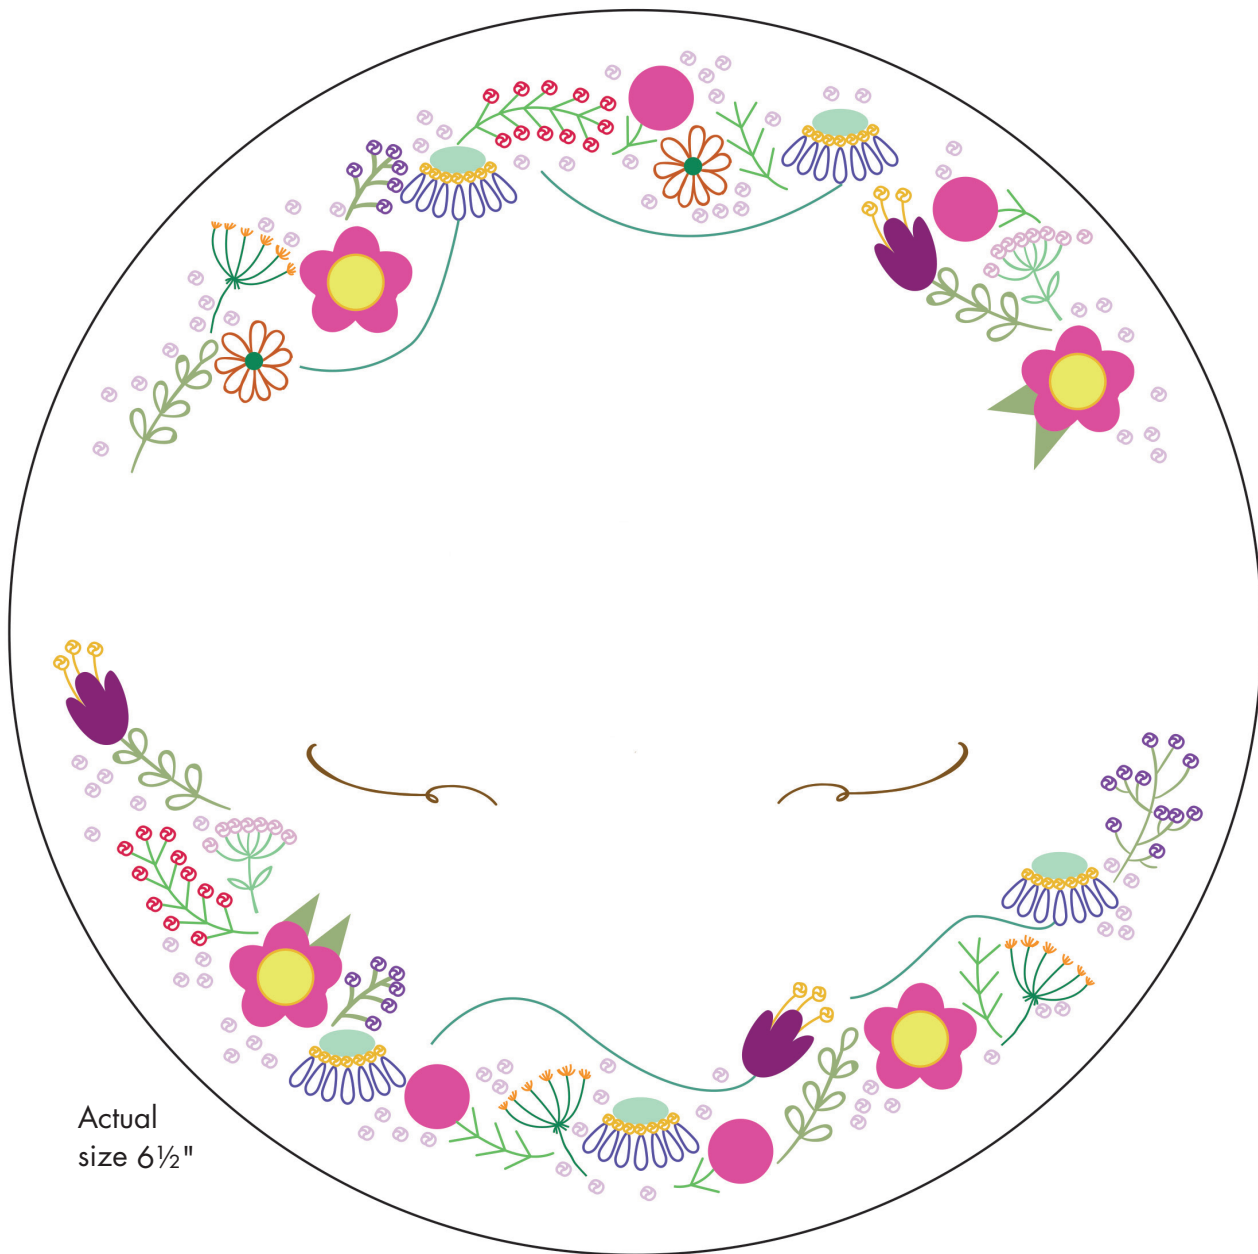

Now your hoop is ready to be displayed or given as a gift.
