

3Dux | Design Emotion Tracker

Materials:

- printed emotion tracker sheets
- any 3DuxDesign cardboard + connector set or assorted cardboard shapes
- 2 pipe cleaners (or 3 tooth picks)
- scissors
- glue stick or 2-sided tape
- markers, crayons, paint, sparkles optional

Instructions:

1. Cut out your paper shapes (if using your own cardboard, use the paper shapes as a template and cut these out too with help from an adult).
2. Use the blank circles to add your own expressions if desired.
3. Use the blank rectangles to add your own emotions if desired.
4. Build your emotion tracker pal using the expression and emotions that match your mood.
 - Attach expressions and emotions onto cardboard with glue or tape.
 - Use cut pipe cleaners, 3dux connectors or tooth picks to join any 2 cardboard pieces for head, arms, legs etc to the body.

SHARE YOUR EMOTION TRACKER PAL WITH YOUR PEERS.

CHANGE YOUR PAL TO MATCH YOUR MOOD WHENEVER YOU WANT TO!
