

## 3Dux|Design

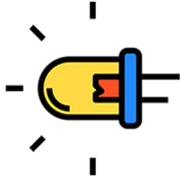

Let there be light!

Build a home with a single light inside with a hidden power source.

## 3Dux|Design

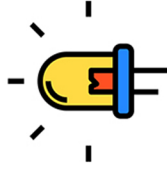

Smart-N-Safe Lighting Solutions.

Design a light for the front door that goes on automatically when guests arrive.

## 3Dux|Design

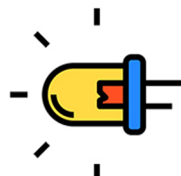

A Kennel for Critters.

Design a structure to keep 2-3 pets separated with all spaces lit simultaneously by a single battery pack.

## 3Dux|Design

Let's take this outside.

Design an outdoor space with lights. Add a switch that shuts off lights during the day.
