HAIR RADIANCE™

HAIR RADIANCE™ was scientifically formulated for men and women to address the nutritional needs necessary to combat hair loss and promote a healthy scalp and radiant hair. Hair Radiance™ contains unique ingredients rooted in Ayurvedic practices commonly used in ancient Indian traditional medicine such as Bhringraj leaf, Amla fruit, Spirulina & Saw Palmetto which are known for their powerful impact on hair health. This powerful supplement for hair contains 22 high potency ingredients that are backed by science for their ability to promote strong, healthy hair. Our effective formulation includes three probiotic strains known to promote faster hair growth and help stop hair thinning.

HAIR RADIANCE™

BIOTIN

Biotin is known to improve the body's keratin, a protein that makes up the hair - as well as the skin and the nails.

ZINC

Known to promote efficient hair growth and repair.

AMLA FRUIT

May help strengthen hair and facilitate hair growth. Also known to combat hair graying and dandruff.

BHRINGRAJ LEAF

May help promote hair growth. It is also used to combat hair loss, hair thinning, and dandruff.

CURCUMIN

Can help revitalize the scalp, which may pave the way for optimal hair growth. Also known to block the hormone DHT, which contributes to hair loss.

GINKGO BILOBA EXTRACT

Known to improve the scalp circulation, which may help accelerate hair growth. May also moisturize the scalp.

GRAPE SEED

May help moisturize and condition your hair without making it heavy or greasy.

IODINE

Known to help with thyroid function, which can have a direct impact on hair health and loss.

SAW PALMETTO

May help block the transformation of testosterone to DHT, a hormone associated with alopecia.

L-CYSTEINE

Comprises 75% of the hair cortex structure. It may also help promote keratin formation, which could lead to better hair growth and regeneration.

HORSETAIL EXTRACT

Can help hair grow faster and stronger. It is also rich in antioxidants, which may help defend the hair from damaging free radicals.

SPIRULINA

Contains ample protein, iron, and fatty acids, which are necessary elements for hair growth. May help reduce hair thinning and baldness.

PROBIOTIC BLEND

LACTOBACILLUS PLANTARUM

Features hydrolysates that may promote faster hair growth.

LACTOBACILLUS REUTERI

Known to enhance the activity of anti-inflammatory cytokines, which are necessary for hair growth - as well as the prevention of hair thinning.

LACTOBACILLUS RHAMNOSUS

Known to produce biotin, a vitamin necessary for hair growth. May also help prevent hair loss by fighting 'bad' bacteria.
