

Make *Becker Farms* a Part of Your Upcoming Holiday Gatherings...

by serving one of our fresh, flavorful, pasture-raised turkeys or natural-cure smoked hams to your family and friends

•••

Our livestock enjoy:

- A life spent outdoors on pasture and a nutrient-dense, non-GMO diet
- A low-stress environment with ample room to actively roam
- An antibiotic-free, growth hormone-free existence

Details to Keep in Mind:

- Whole turkeys are available fresh (never frozen); turkey breasts and hams are available frozen.
- The pick-up date will be **Saturday, November 23rd**; with the exceptions of Muncie-area (which will be on November 24th) and On-Farm (which will be by appointment). If you will be picking up at one of the farmers market locations, the time frame will be during the regular market hours (*please note: it helps immensely if you can come within the first hour of the market*). For the Bloomington-area pick-up, the time frame will be early- to mid-afternoon {we will be in touch delivery day}.
- New this year, whole turkeys will be 'Paid in Full' at the time of placing the order. For turkey breasts and hams, a \$20 deposit will be due when placing the order, with the balance due paid at the time of pick-up (for these items, which are priced by the pound, please understand that we will not be able to provide you with an exact total until the time of pick-up, as we will not have the items back from processing until just before the pick-up date).

Please print your information below & return to us with your deposit at the farmers market OR mail to us at:
