# Sign-Up

**By signing below, I understand that:**

- I am agreeing to a six-month CSA membership and that it is my responsibility (or a proxy) to pick-up my bag each month on the designated day and location. If I cannot pick-up my bag at the designated time, I will notify *Becker Farms* and make alternative arrangements. If I would like my bags delivered to my home, I understand that a \$10/month fee will be added.
- **The contents of my CSA bundle will remain the same for the duration of the membership, unless I choose to add items (on which I will receive a 5% discount).**
- I am issued two insulated CSA tote bags and that it is my responsibility to keep the tag pinned to the bag and return the empty bag each month. If I lose my bags or want additional bags, I will pay for them. At the end of the CSA, the two bags are mine to keep; however, if I choose to sign-up for the next CSA season, I need to return the bags to *Becker Farms* so they can be used again.
- The Initial Payment must be made in either **cash or check** and is due either when submitting this form (preferred) or at the first pick-up in November. The monthly payment thereafter can be made using a credit card (although cash or check is still preferred, due to the fees incurred when using this payment method).
- Farmers are at the mercy of Mother Nature and drought, flood, and other adverse weather conditions can occur that may impact product availability/consistency. *Becker Farms* will make every effort to provide their meats, poultry, and eggs according to their high standards; in the event that a particular cut is not available, smaller than anticipated, etc., a reasonable substitution or accommodation will be made.
- Refunds are not given in the event that I need to discontinue my CSA membership, but I am permitted to transfer my membership to another individual that would like to take it over.
