Sign-Up

By signing below, I understand that:

- I am agreeing to a six-month CSA membership and that it is my responsibility (or a proxy) to pick-up my bag each month on the designated day and location. If I cannot pick-up my bag at the designated time, I will notify *Becker Farms* and make alternative arrangements. If I would like my bags delivered to my home, I understand that a \$10/month fee will be added.
- **The contents of my CSA bundle will remain the same for the duration of the season, unless I choose to add items in (on which I will receive a 5% discount).**
- I am issued two insulated CSA tote bags and that it is my responsibility to return the empty bag each month, so it can be used for the following month. If I lose my bags or want additional bags, I will pay for them.
- The Initial Payment must be made in either **cash or check** and is due either when submitting this form (preferred) or at the time of the first pick-up of the season. The monthly payments thereafter can be made using a credit card, although cash or check is still strongly preferred, due to the processing fees incurred with this payment method.
- Refunds are not given in the event that I discontinue my CSA membership, but I am permitted to transfer my membership to another individual that would like to take it over.

Please submit form to *Becker Farms* by **April 15th**
