Outdoor Comforts™ Weatherproof Deck Outlet Cover and GFCI Kit, Bronze

Catalog #:
DOCK320Z

FEATURE BENEFIT

Place power where you need it! Provides safe, code-compliant way to add an outlet to raised outdoor floors.

PRODUCT FEATURES

- One weather/tamper resistant 15A GFCI receptacle
- One weatherproof cover constructed of heavy-duty UV-resistant polycarbonate
- One metal electrical box with ½ In. threaded outlets and gasket
- Low profile design with beveled edge and slip-resistant texture meets ADA standards
- Rain chamber and “drip loop” design provide two levels of in-use protection
- Pre-attached gasket keeps water from entering around self-closing lid
- Cord hooks hold two power cords (up to 16 gauge) in place
- For use on wood or composite raised decks and porches

APPLICATIONS

Complete weatherproof outlet kit for raised outdoor floors lets you place convenient power access where you need it! Included cover, electrical box and receptacle create a cost-effective upgrade for today’s outdoor living. Homeowners get safe, code-compliant power protected from water spray, rain or snow. Suitable for lights, fans, device charges and other electric appliances.
