

CARING FOR YOUR SPOTLITE HD LED MAKEUP MIRROR

This product is for indoor use only.

This device requires a Lithium battery which is included.

WARNING: The battery is NOT replaceable and you must not attempt to replace or repair it.

WARNING: Your Spotlite HD has electric parts and as with all electrical appliances, there is a risk of electric shock if misused.

WARNING: Keep out of the reach of small children.

WARNING: Repairs must be carried out by qualified personnel

WARNING: While you can use in your bathroom, do not use inside the shower and do not immerse in water.

WARNING: Only use the USB charging cable supplied with the device and do not use if the cord is damaged as this may cause fire, electric shock or injury.

WARNING: Use this product only for its intended use as described in this manual. Do not use attachments which are not recommended by the manufacturer.

Do not use chemicals or abrasive products to clean.

Use the supplied cleaning cloth or any dry cloth to dry wipe any dirt on all surfaces.

The lights in your Spotlite HD are made from premium quality LED lights and not replaceable.

If you have any other problems with or questions about your device, please visit the Customer Care section of www.wearejoi.com for assistance.

Spotlite HD
DIAMOND 2.0

**"TRUE" DAYLIGHT MAKEUP PERFECTING
ULTRA-BRIGHT LED MIRROR**

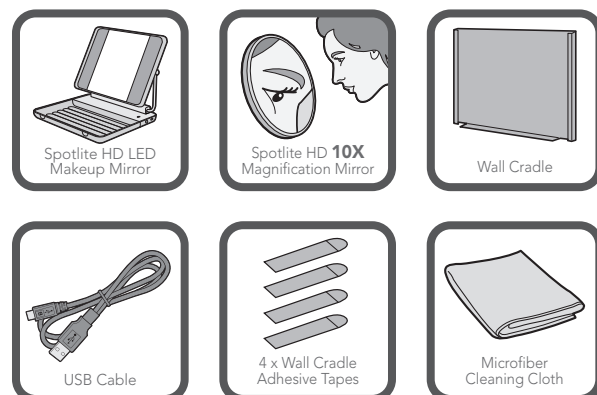

BLITZ MAKEUP FLAWS WITH ULTRA-BRIGHT LIGHTS THAT
REVEAL ALL FLAWS.

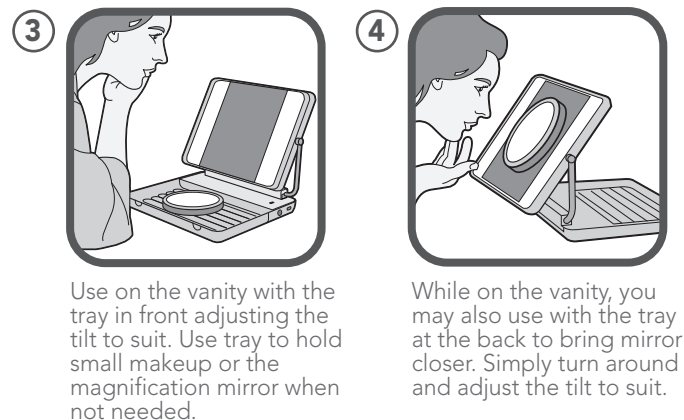

Spotlite HD makeup mirror was designed to provide ultra-bright true natural daylight for the correct application of makeup. It shows your exact makeup colors and skin tone allowing you to match your makeup to your look. It also illuminates clearly for the flawless blending of your makeup layers.

The embarrassment of not knowing your makeup is wrong is too great a risk to take, so stop these mistakes with Spotlite HD and get the firm assurance that your makeup looks as perfect as you intended.

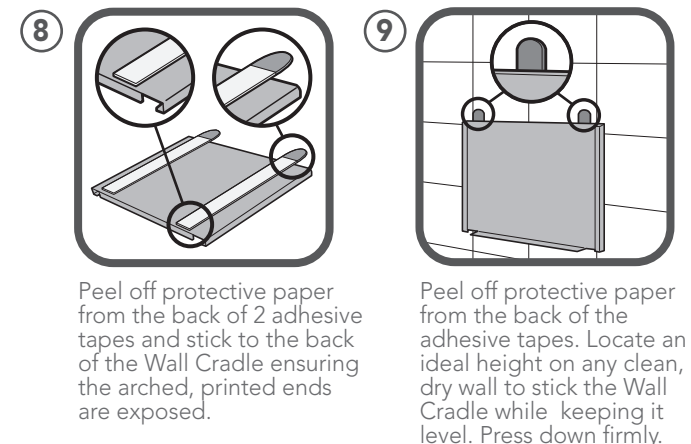

PARTS LIST

USAGE INSTRUCTIONS

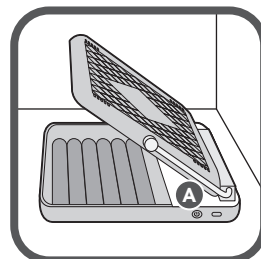

WALL MOUNTING INSTRUCTIONS

USING YOUR SPOTLITE HD LED MAKEUP MIRROR

- 1 Opening the lid turns the light on. You may also use the touch-sensitive switch **A** to control the light. Tap to turn lights on. Tap again to turn it off. Touch and hold to adjust brightness. When the lid is closed, the auto-sensor turns the light off.

- 2 For first time use, plug in the included USB cable and using any smart device electric plug (not included), connect into a source of electricity. Leave to charge until the charge indicator **B** turns green which indicates full charge. (First charging may take up to 5 hours.) While in use, the red light will turn on when 30% charge is left in the battery indicating the need to recharge the battery.
